### UNITED CHURCH MEN'S FELLOWSHIP SYNODICAL MEN'S FELLOWSHIP SUNDAY on OCTOBER 9, 2022

Each year, we pause to celebrate the United Church Synodical Men's Fellowship Sunday. This year we do so under the theme **"Men on a Mission – From Crisis to Christ"**.

Crisis may be defined as a situation that is extremely dangerous or when there are many problems. As we examine the state of our world today, we are forced to conclude that it is in crisis. There are indeed many problems. Currently, there is a war between Russia and Ukraine that has created an energy crisis, a food security crisis and an international transportation crisis to name a few. There is an environmental crisis caused by climate change. The Covid 19 pandemic appears to be receding, but we are now faced with Monkey Pox. One crisis after another.

Jamaica is affected by all of these and more. We are beset by crime and violence, corruption and a general breakdown in values. Our younger generation is distracted by different value systems. Scamming and the general easy way out in making a living seems now to be the order of the day. We look to persons who may be regarded as less than desirable but who have become role models, and social media has become a negative influence especially on our young

people. Education is under siege and there is general indiscipline in schools. Indeed, there are crises all around us.

But we need not despair. With every crisis comes opportunities. Recall in Mark 6:34 - 44, the disciples informed Jesus that they were in a crisis and that He should send the crowd away to find food for themselves. But Jesus enquired about the resources that were available and He used the available five loaves and two fishes to feed the crowd. Although the disciples were with Him daily, they did not understand that He was bigger than the crisis. This was only manifested to them when the five loaves and two fishes fed over five thousand men, not counting women and children. They eventually had twelve baskets of excess food.

Christ has given us the resources that can transform our society. Like the disciples, we are not recognizing the power He has endowed on us. We need to utilize our God-given resources of talent, time and money to transform our society. We need to use our influences by:

- becoming Sunday School Teachers,
- mentors for the young boys and girls in our community,
- assisting with the Home Work Programmes,
- identifying the young boys in our communities and involving them in the Boys' Brigade of which we ought to be leaders,
- getting involved in other community projects such as feeding the hungry, caring for the fatherless, the aged and the disabled.

Christ said that whatever we do for the least of these brothers and sisters, we do it for Him. We can use our resources to move people from today's crises to Christ.

My challenge is that we begin to identify the resources with which God has blessed us and invite our other brothers – young and not so young - to join us as we begin this mission of moving our people from the crises that seem to pervade us. I am confident that the results we achieve will assist in advancing the Kingdom of God.

I wish God's blessings on you as you celebrate this Men's Fellowship Sunday and may you, with urgency, seek to join this Mission of moving people from crisis to Christ.

# Jesus Christ: Our Living Hope

In this final quarter of the year, much of our readings come from the prophets, as they seek to foster Hope in the lives of God's people in trying times. We have cause to reflect on their unwavering Hope as the world faces so many things that challenge our own Hope in God. If Faith is Hope in action, what is Hope?

Some of us see Hope as prayerful anticipation, as that which sustains and keeps. It is also the beginning of a concrete reality, not yet come to pass. Of course, Hope is neither incidental nor accidental. It comes from a vision (not always clear to others), nurtured by action and plans.

Within the context of Scripture, two Hebrew words qawa and batah speak to Hope, rooted in trust. As we move through Heritage Week, Reformation Sunday, Pirates' Week and into Advent and Christmas, our focus shifts to Jesus and His role in our lives of Faith. We seek to understand our Hope in Jesus Christ, unmoving and very much alive, through the lens of Health, Opportunities, Peace, and Evangelism and in the realities of our countries in this season. May we find Jesus to be our Living Hope in good and bad times.

## Caribbean Youth Initiative PROGRAMME

The joint CWM Caribbean and CANACOM 2022 Youth Initiative will take place on October 14 – 17, 2022, at the Hotel Four Seasons in Kingston, Jamaica, under the theme, "Rising to Life: Leadership, Identity, Faithfulness, and Empowerment".

For three days, participants will be engaging from 6:00 am to 6:00 pm daily in worship and Bible Study, group work sessions, round table conversations, and devising strategies to make practical and actionable the theme in focus in their respective contexts.

The Cayman Islands Regional Mission Council will be represented by Ms. Jennelle McLaughlin from the Elmslie Memorial Church. She is well known for her commitment to and involvement in various areas of children and youth ministry in her church and around the CIRMC (youth, music, Sunday school, dance, mentoring, Youth Sundays, and special events). She is an active member of the Youth Leadership National Executive (YLNE) and a role model to teens and pre-teens.

We thank Jennelle for taking the time away from work to attend this event and wish her God's blessings.

### **Prayer**

#### ***Psalm 20***

May the Lord answer you when you are in distress;  
may the name of the God of Jacob protect you.  
May he send you help from the sanctuary  
and grant you support from Zion.  
May he remember all your sacrifices  
and accept your burnt offerings.[b]  
May he give you the desire of your heart  
and make all your plans succeed.  
May we shout for joy over your victory  
and lift up our banners in the name of our God.

May the Lord grant all your requests.

Now this I know:

The Lord gives victory to his anointed.  
He answers him from his heavenly sanctuary  
with the victorious power of his right hand.  
Some trust in chariots and some in horses,  
but we trust in the name of the Lord our God.  
They are brought to their knees and fall,  
but we rise up and stand firm.  
Lord, give victory to the king!  
Answer us when we call!

*"Living The Word, Changing Lives ..."*

# TRAINING SESSIONS

## INTRODUCTION:

**Purpose of the Child of God, "Living the Word, Changing Lives..." Campaign/Ministry** The intent of the **Child of God, "Living the Word, Changing Lives..."** Campaign/Ministry is to engender a lifestyle that physically brings to life the action/activities of the Spiritual teachings of Jesus Christ among the believer. **That is to empower** the believer to demonstrate the **"Fruit of the Spirit"** which are Love, Joy, Peace, Longsuffering, Gentleness, Goodness, Faith, Meekness and Temperance. (Galatians 5 : 22 & 23KJV) through **The Development of "Active Spiritual Discipline"**.

**Phase 2 – of the Child of God, "Living the Word, Changing Lives..."** Campaign developed by the **Discipleship Ministry of Webster Memorial United Church** has been assigned to **Public Educational/Training Sessions** aimed at **Members and Adherents** of the Church.

Following on a successful initiation of the **Discipleship 'Child of God' Training Sessions** earlier this year at Webster on **"The Development of Active Spiritual Discipline"**; we are encouraged by the level of interest and thirst for knowledge demonstrated not only by the members and adherents of our Church Webster, but also by interested persons from other denominations locally and globally spanning participants from the **USA, Canada, and the Caribbean**. This has endorsed our contention that Training is not only needed but desperately wanted. Therefore, the Discipleship Ministry have responded to offering another series of Training Sessions under the theme **"The Fundamentals of Our Faith"**.

## THE TRAINING PROGRAMME PURPOSE:

**The Fundamentals of Our Faith** is another response to the question: Who is a **Child of God, "Living the Word, Changing Lives..."**? As presented by the Ministry; a Definition of a **Child of God, "Living the Word, Changing Lives..."** is defined follows:  
**A Child of God** is "someone who believes in God, dedicated to service, demonstrating a willingness to serve others through the anointing of the Holy Spirit, based on the teachings of Jesus Christ, has faith in God, and is grounded in the Word of God through Prayer."

Training Sessions will be coordinated by **Mrs. Elaine Commissiong** under the guidance of Webster Senior Minister **Rev. Astor Carlyle**. Guest Presenters for these sessions are : **Rt. Rev. Gary Harriott, Rev. Norbert Stephens, Rev Henley Bernard, Rev. Lembe Sivile , Rev Dr. Collin Cowan and Rev. Dr Burchell Taylor**.

Presentations will begin on **Tuesday, September 27, 2022**.

**Sessions will be held weekly thereafter on Tuesdays at 6:00 pm**. These Training Sessions will be in the Webster Sanctuary and on Zoom.

**Vision:** Instituting a Spiritual Lifestyle of Active Service among all Believers

**Mission:** Empowering a Physical Lifestyle of Actions/Activities, that is based on the Spiritual Teachings of Jesus Christ within all Believers.
